CATEGORIES CONSIDERED DURING THE AWARDING OF SUPPORT AND DOCUMENTS REQUIRED FOR PROOF

Only events and activities that have already taken place are eligible for the application. The applicant is obliged to declare what remuneration they received for the applied activity.

Category	Required documents	
Sport scholarship	Credible proof of the competition result (see Annex I). In the absence of this, the application will be rejected.	Membership ID or proof of membership. (Must include the initial validity date, sport name, and physical or online credit as written above)
Cultural scholarship	Proof of competition results, or a document with data of the same value (see Annex I). In the absence of this, the application will be rejected.	In case of planning of cultural event, a report of the event of at least half a page in length, that contains the number of participants and relation to Eötvös Loránd University.

FORMAL REQUIREMENTS

- The Committee processes supporting documents in Hungarian and English. For documents in any other language, a certified translation must be uploaded together with the original document.
- During the evaluation process, the Committee accepts only attachments in PDF, JPG, JPEG, and PNG formats, as well as these documents in ASiC-E file format.

ASSESSMENT

- The Committee will decline any application submitted past the deadline.
- The evaluation happens via a scoring system (Annex II. and III). Points will be given for competition results and events that happened in the previous semester (9 February 2026 – 6 September 2026).
- Points can only be given to competition results for which the applicant hasn't received enumeration yet.
- In cases where the competition type isn't specified, the least number of points will be given.
- A membership identification in and of itself isn't worth any points, only if it is accompanied by competition results.
- The Committee only accepts membership identification that is valid during the time of the submitted competitions.
- References to online databases are not acceptable as a form of proving membership.
- In cases of ID-s containing a portrait, we ask the applicant to cover it up.
- The scholarship awarded in the application is for 5 months.

- The awarded amount is determined by the Faculty's Scholarship Committee every semester.
- The received applications are evaluated according to the effective legislation, regulations, and this call for application, based on the content of the submitted application and the attached proofs.
- The applications are evaluated by the Committee, and the applicant is notified of the result via Neptun within 8 working days following the adoption of the decision.
- If the applicant's application is incomplete (does not contain the annexes required by this call for application), the Committee may call upon the applicant to supply the missing information. If they do not, or do not fully, comply with the contents of the deficiency notice, or if the replacement arrives outside the application period, the Committee evaluates their application based on the available documents.
- The Committee may request the original copy of the uploaded documents within 5 years from submission. Providing false data, uploading fake documents, or if the applicant fails to present the original copy in the specified manner and time despite repeated requests, may result in the initiation of disciplinary proceedings.
- The Committee and persons authorized by it are entitled to manage the personal data provided during the application procedure. These data are used exclusively for processing and evaluating the submitted application. The handling of personal data takes place in accordance with the provisions of the ELTE Data Management Regulations.
- Regarding the management and protection of personal data, the applicant may turn to the National Authority for Data Protection and Freedom of Information, and may also seek legal remedy in court.
- An appeal against the decision may be lodged within 15 days of its communication (becoming aware of it), which must be sent to the e-mail address hjb@kancellaria.elte.hu, indicating "For the attention of the Student Appeals Committee" ("Hallgatói Jogorvoslati Bizottság részére"). The activity of the Student Appeals Committee exclusively covers the remedy of legal violations affecting students, as well as decisions contrary to university regulations. As a body acting in the second instance, the Student Appeals Committee cannot exercise equity and does not decide on equity requests. The mandatory content elements of the appeal are: the student's name, Neptun code, residential address, e-mail address, designation of their primary faculty, the identifier of the decision against which they wish to seek legal remedy. The appeal must designate which provision or part of the first-instance decision the student is objecting to. Ezentúl a precise request must be submitted regarding how and for what reason the Committee should modify the contested provision or part of the first-instance decision. The Student Appeals Committee communicates its decision to the student through the Neptun Unified Study System, its resolution is available under the Studies menu – Progress menu item within the Master Sheet tab under Official Entries.
- The payment of the awarded support can only take place if the applicant's bank account number, tax identification number, and place of residence (in Neptun: permanent address) are recorded in Neptun. In the absence of any of these data, payment is not possible. If the applicant does not record or correct the data required for payment in Neptun by the third payment attempt, they lose their eligibility for the scholarship awarded to them.
